

Remote prescribing Controlled Drugs - MCNS

Verbal orders are permitted for Schedule 2 – 5 Controlled Drugs (CDs) during the COVID-19 pandemic in the following conditions:

The drug chart or medication administration record containing the new administration details must be amended by a person who has prescribing rights as soon as possible (ideally within 24 hours).

All remote prescribing incidents should be reviewed by the MD or deputy as part of the incident review meeting or investigation

PROCESS FOR REMOTE PRESCRIBING IN MCNS
